Dear Sir,

It is my understanding that in the future you will be considering a request for review from the Des Moines Public Schools of a decision made related to our FY 2001 E-Rate Application (Application for review related to CC Docket No. 02-6 and DA -2-2531 related Oct. 7, 2002)

Because, apparently, we will not know when this case comes before you, the purpose of this note is to encourage you that when this case comes to your attention, to consider that the current ruling does not best serve the public's interests, and we would ask that you act to grant the form of relief specified in our request.

Very truly yours.

Greg Davis
